

Frequently Asked Questions (FAQ)

What is Jaemia?

Jaemia is an AI-powered service that transforms your photos into printable coloring pages. Simply upload a photo, let our AI create a coloring page, and download it as a PDF for printing.

How do I create a coloring page?

1. Upload a photo.
 2. Wait while our AI processes your image.
 3. Preview your coloring page.
 4. Download and print your PDF.

What types of photos work best?

Clear, well-lit photos generally produce the best results.

Photos of pets, people, flowers, vehicles, landmarks, toys, food, and scenery all work well.

How long does it take?

Most coloring pages are generated within **10–20 seconds**, depending on image complexity and server load.

Is Jaemia free?

Jaemia currently offers free access during its beta period.

Additional features or paid plans may be introduced in the future.

Can I use Jaemia on my phone?

Yes.

Jaemia works on desktop, tablet, and mobile devices.

Can I print the coloring pages?

Yes.

Each generated coloring page can be downloaded as a printable PDF.

What happens to my uploaded photos?

Original uploaded photos are stored for up to **7 days** to provide the service and are then automatically deleted.

How long are generated coloring pages stored?

Generated coloring pages and downloadable files are stored for up to **30 days** and are then automatically deleted.

Is my information secure?

Yes.

Passwords for email accounts are securely managed by our authentication provider using industry-standard cryptographic hashing.

Jaemia never stores or has access to your plaintext password.

Google Sign-In users authenticate directly with Google, and Jaemia does not receive or store Google account passwords.

Can I delete my account?

Yes.

You can delete your account at any time from your account settings. Account deletion permanently removes your account and associated personal data, except where retention is required by law.

Can I use the generated coloring pages commercially?

The coloring pages are intended for personal and educational use unless otherwise stated.

If you would like to use generated content for commercial purposes, please contact us first.

I found a problem. How can I report it?

We appreciate your feedback.
